## Club of California Newsletter

A Chapter of FMCA

### President's Message

I want to thank trail bosses, Harry and Sue Salit and Ray and Mary Archambeault, for putting on an outstanding event in Buellton. Leo was able to wrangle a bus tour into Vandenberg AFB which included visits to some launching pads and the base museum.

At the rally in Buellton, our members discussed the current surplus of funds in the club bank account. The balance was over \$8,000. It was decided that we need a surplus, but no more than \$5,000. In order to reduce the balance, the following plan was discussed and adopted at the business meeting:

1. Eliminate the \$300 miscellaneous charge to rally events.
2. Pay the cost for the trail boss (space fees and event costs) out of club funds and not charge the members attending the event.
3. Pay for the park fees for the days of the event (3 days) for the assistant trail boss out of club funds and not charge to the members attending the event.

It was calculated that under this plan the excess on hand would be depleted in two to three years, while we also reduce the cost of attending the rallies.

Please note that Sue Salit will be doing the newsletter so please send any information you want published to her in a timely manner.

The next rally is in Hemet on May 12-15, 2011. Hope to see you there!

**Carl  
Johnson**  
President

Sept 2012  
Rally @ Lone Pine  
Hosts: Bob & Pam Johnson

Our recent Buellton rally at Flying Flags R.V. Resort was filled with fun, great company, good food and several informative side trips. There was a minimal amount of daytime light rain which did not interfere with shopping and several other daytime activities. The LRC big winners were Ray Archambeault and Art Valenzuela. We also had three lucky bingo winners including Harry Salit and Mary Johnson. The biggest bingo winner was Chuck Walker. Trail Boss Susan Salit also handed out several prizes by picking names out of the hat. As I recall, Chuck Walker won another prize along with Barbara Valenzuela and Curtis Jones. We did not award our DDD because no one was worthy.

Co-Hosts Ray & Mary Archambeault provided us with the very best BBQ baby back ribs with all the trimmings including salad, beans and desert. Trail bosses Harry and Susan treated us to delicious salad, home-made Chili and mini cream puffs. The breakfasts included biscuits & gravy, sausage, bacon, etc... Breakfast times were changed to accommodate an added tour to Vandenberg AFB.

Our several side trips included lots of shopping, a guided tour of the Santa Ines Mission and a visit to the Flag is Up ranch of horse whisperer, Monty Roberts with informative comments by our own cowboy Pres Carl Johnson. The highlight of our trips was the "Private Tour of Vandenberg

Air Force Base". A special thanks to Vandenberg AFB Retiree Leo Aragon for making this private tour possible. Transportation for the tour was on an Air Force bus and led by Mr. John Coutley who was very knowledgeable about every aspect of Vandenberg and missile operations, he also provided insight and history of VAFB missions. The tour was approximately three hours in duration and the various stops included "Missile V" dedicated to the Air Force Missile Officers; The Vandenberg Heritage Museum and Space launch Complex and several war memorial sites.

I hope that the attendees enjoyed the brief DVD I put together. It may not be perfect because I'm having some pewter. I will forward the pictures to our new "Newsletter Editor Susan Salit" (Thanks Susan for letting me volunteer you). I will also forward the pictures to our new Webmaster Alan Johnston who is back in the Country and hard at work designing our new website.

Our next Rallies will be in Hemet on May 12-15, 2011, Chula Vista Sep 13-16, 2011 and Quartzsite (Quail Run RV Park) Jan 20-23, 2012.
