### Presidents Report

I think that our Wagon Masters report best describes our Pechanga Rally. I can't add much more except that we had an amazing time thanks to the hard work of Jackie, Mary, Pat, Noe and their helpers. Welcome to our new member Karen Redman, our renewed member Ray Archambeault and our new Honorary Members Robin and Judy Goodman.

I would like to express my sincere thanks to Sandy for leading us in an invocation prior to our general membership meeting. I should also mention that Sandy's husband won 1st Place as All-State Elks Chaplain. Congratulations Eddie.

I think that our club is doing very well. We have been having excellent turn-out at our rallies. Our membership has increased during the past several months. Our treasury is in good shape thanks to Marilyn. Also, thanks to our board members and committee members for their contributions to our club. Our National Director Joan Edman will be representing our club at the FMCA Family Reunion Rally in Madison, Wisc. July 29 to August 1st 2015. We have a special group of people in our club with a common interest and it's like a family reunion every quarter.

Please check out a revised copy of our flyer for our forthcoming Paso Robles rally at "Vines R.V. Resort". This will be another outstanding rally hosted by Leo & Marian, Bill & Patsy and Ed & Joan. See you there....

## RALLY AT PECHANGA CASINO

May 5-8, 2015  
TEMECULA, CA

**Leo Aragon**  
Wagonmaster

Our May 2015 rally at the Pechanga RV Resort was one of the most fun and enjoyable events we have had. The important fact is that more and more of our members are attending Discovery Club rallies. That is really wonderful.

We started out the day before, on the fourth. Ten rigs arrived early, so our hosts made reservations for all of us to eat dinner at Applebees. Then the BIG day came. We celebrated Cinco-de-Mayo (May 5th), a special event showcased by none other than our hosts Mary and Jackie and Marsha. (Ray, John and Carl helped a little.) It all started with everyone wearing his or her decorated Mexican hats and outfits. The main feature was the Mexican hat-decorating contest, and some very creative hats were presented. But first we were all introduced to margaritas (made to your choice) that we all enjoyed. Then at 1800 hours Noe and his best helper, Pat, fed us some good tacos with all the fixings and a variety of salsas. Eating tacos while sipping margaritas really makes for an excellent meal. Then the fun began with the introduction of competitors for the best decorated Mexican hat. The competition was tough, but in the men's category the first prize went to Ed Edman. In the women's competition first prize went to Karen Redman, Art's niece. What a fun evening we had. Mary, Jackie, and Marsha, you did it again. Wednesday after our French Toast and fruit breakfast, Zip and Ruth took us all on a drive to the Lake Elsinore area for an outstanding tour at a friend's home. We enjoyed seeing his collection of drag racing cars and memorabilia which included a visit to separate garage where we toured old gas station systems and buildings and saw some beautifully restored vintage cars. The gentleman has an elaborate collection. On the way back to Pechanga we stopped at a pre-arranged restaurant for lunch. For our Wednesday dinner our hosts gave us chicken and fixings and apple pie a la mode. We played (free) bingo for some excellent prizes that yours truly did not win. Thursday breakfast was good ole sausage and eggs, casserole mode. We had our standard Board Meeting followed by the General Membership Meeting where Ray introduced our guests. Art's niece became a member of our club and Ray Archangeault who has renewed his membership. We're happy to have him back. Gary and Carrie Brown also came to participate in our rally. Rich and Sue Skinner were present, and Robin and Judy Goodman were introduced as our first honorary members. It's good to have you back in our club. For dinner we were treated to meatloaf, potatoes and vegetables along with more apple pie and cheesecake. We concluded the evening with Gary and Carrie providing us with karaoke music and anyone that felt like singing was given a chance. Some of the ladies sang and did some line dancing. We all had a great time. The rally ended Friday morning with the Bus Nuts providing breakfast for the Discovery Club because they were anxious to move into the club house for their rally.

Our next rally will be in Paso Robles, CA in September at the Vines RV Resort. The final flyer can be found in the Club's news letter. See you all there.

## FMCA NATIONAL DIRECTORS REPORT

**Joan Edman**  
Nat'l. Director

The revisions to our chapter bylaws have been accepted and given final approval by FMCA. These include:

1. The addition of Honorary Member status

3. Voting shall be one vote for each adult member.
4. Duties of officers shall be as defined in the "Member and Volunteer Handbook" which is only available online, since it is a rather large document. A huge "thank you" to Ray Ouelette for getting our bylaws up to date and obtaining the final approval.

If anyone has a desire to serve on the FMCA Executive Board, a new slate of officers will be elected in early 2018. Further information can be found on the Western Area website [wafmca.com](http://wafmca.com).

FMCA's 2015 Northwest Area Rally will be in Coos Bay, Oregon, June 25 through June 28.

Looking forward to Paso Robles!

She would like each "coach" to bring a wrapped bottle for an auction. Item can be serious, funny, useful or not, large or small. Wrap beautifully for the fun. This is one bottle per coach, not one per person.

Respectfully submitted,  
Jackie Ouellette, Secretary

## MEMBERSHIP REPORT

We now have 24 paid members and our first honorary members. Welcome Judy and Robin. Robin was president of our club for 4 years. Judy and Robin hosted many rallies when they were in our club and had their motorhome. While they are without a motorhome at this time, Robin and Judy assisted Muriel and Larry at our Hesperia rally. Remember to invite your RV friends to join us at a rally.

FMCA Pomona Rally: I attended a class on safely exiting your RV in an emergency. It was presented by Mac McCoy ([Macthefireguy.com](http://Macthefireguy.com)) and was quite informative. He informed the class that you have about 20 seconds to get out of the RV in event of fire. He stressed the importance of knowing how to open your emergency exit, of regularly opening them to insure that they are not stuck, and of practicing using that exit in a safe manner. His website has some informative articles and a video to watch on exiting the rv. If you are at a rally where he is speaking, I recommend you attend is presentation.

## NEWSLETTER REPORT

Levi and I had great fun at Pechanga. It was so nice to be with all you Discoverers. Please keep in touch and send me all your good news. I know you have some to share. Let's make the newsletter just like Facebook and we're all friends. Check in and let us know where you are and what you are doing. Send pictures too. Remember, if you don't send it in, I'll have to make it up.

## LIBRARIANS REPORT

I never thought I would be called "Librarian" but here goes. I changed out some of the old books and added many new ones. It was a big success, I came home with half the books I started with. If you have a special Author, or type of book you would like to read let me know. Mary donated some audio books, but my son in-law borrowed them. He makes a drive once or twice a month between Lake Elsinore and Scottsdale AZ. He will return them soon, LOL. If you have a favorite book, DVD or magazines you would like to share, please bring them to the next rally. I will arrange them using the Dewey Decimal System or at least stack them neatly.

Marsha Swanson, Librarian

## In Memoriam

We are sad to report the loss of our loved Discovery Club Brother Tom Thomas. Discovery Club members extend their sympathetic regards and condolences to his wife Dee, his son Matt, and his entire family and friends. We enjoyed traveling and rallying with Tom and will miss him.
